Death of Charles Rose.

Sunday morning there came as a shock to our people the news of the sudden death of one of our prominent merchants, Charles Rose. He expired about 7 o'clock. For some months the friends of Charles Rose, and his devoted family have been much grieved because of his declining health, and it seemed that medical attention was of no beneficial effect. He was troubled with asthma and heart trouble, and though determined to stay at the store, his strength often times would hardly permit of his leaving his home. On Saturday last he was about the store as usual, and Saturday night, went to bed and was soon in natural sleep. Mrs. Rose has for months trained herself to sleep half-wakeful, alert to any sound or move.

Sunday morning she thought her husband sleeping as usual, in his accustomed position with one hand to his face. By more close attention she marked the absence of any sound breathing, and then by putting her hand upon his forehead she was shocked to believe that life was extinct. She aroused the family and summoned the physician, and it was found that life had been gone perhaps an hour. He had peacefully slept away, without the physical evidence of the great change wrought from the mortal to immortality.

Charles Rose was one of Logan's most prominent business men, and in years of service among us, is perhaps the oldest. He has been in the clothing business in the same room in Logan for 42 years.

At one time associated with D. J. Cressap, and later with Saltzbacker. However, for perhaps 25 years prosperous in business as sole owner. The clothing store of Mr. Rose has become a landmark in Logan, and he has been a steady worker in his line of duty. He was a good man to his family and courteous in business life. He served in the several offices of honor in our village, and was postmaster of Logan for four years under Grover Cleveland as President and filled the office with honor.

Mr. Rose was born in Offenbach, Prussia, Germany, Oct. 23, 1842. When fourteen years of age he came alone to America, landed in New York and located at Cleveland, Ohio, and clerked in the wholesale clothing house of Koch Levy & Co. until 1864. He then traveled in Michigan and Ohio a couple of years, then came to Logan and established his present business.

Mr. Rose is a son of Moses and Sarah (Levy) Rose. His father was a native of Prussia and his mother was born in Baden and died in 1878. They had a family of six sons and five daughters. Charles Rose was the third son.

Mr. Rose married Flora Murphy at Logan, Ohio, Nov. 20, 1873. Mr. and Mrs. Rose have four children, Harry, Frank, Bess and Mabel. He was a Mason and a member of Blue Lodge, Logan Chapter and of Logan Council.

The funeral occurred from the home on Main street, on Tuesday afternoon, Rev. Wilson of the Presbyterian Church officiating. Interment took place at Oak Grove Cemetery.

The following out-of-town persons were in attendance at the funeral: Mr. and Mrs. Byron Wolfe, Mr. and Mrs. Fred Preston, of Athens; Mrs. W. W. Poston, Nelsonville; Dr. J. W. Murphy, Cincinnati; Mr. George Finney, Mrs. Harvey Garber, Miss Ruth Bishop, Mr. Eli West and Mr. and Mrs. Wiley Thurness, of Columbus.

The estate of Mr. Rose is in very good shape. He leaves \$9,000.00 life insurance, good property in Logan and an immense stock of clothing in the store, estimated at \$28,000.00. There will be no administrator appointed. Harry and Frank Rose will continue the business, as both are experienced business men.

Memorium.

But two weeks ago we told of the death, on election day, of one of our aged and respected citizens, Mr. John Shorr. At that time his life companion lay sick and we gave expression to the hope that time would deal gently with the good wife, and that affliction cause her no suffering for the short sojourn she may remain here. Indeed short and painless was the remaining hours, for in just one week, the godly mother followed her husband to the brighter world. For fifty-seven years they had journeyed through this life together and at the close of life's day, they were also companions in death. How beautiful the thought, that two gentle, loving lives could be spent in such happy companionship for more than half-century, and then peacefully lay down the burdens together, with no pangs of broken ties and loneliness to mar the golden sunset of the noble lives.

Mrs. Shoor's maiden name was Barbara Fox. She was born in Prussia, 76 years ago, and early in life came to this country. In 1851 she was married to John Shorr. To this union were born six boys and three girls. The children are all living: William and Peter who live in Lafayette, Indiana; George, Joe and Nicholas, who live in Logan, and Andrew in Greenfield, Ohio. The daughters are Mrs. Mary Ucker and Mrs. Nick Till, of Logan and Mrs. Fred Till, of Fort Wayne, Ind.

The funeral of the saintly mother was held Friday morning of last week from the St. John's Catholic church, and she was laid to rest by the side of her life's companion.

Jacob Primmer, Dead.

Jacob Primmer died at his home at Haydenville, Wednesday at 3:22 o'clock at the age of 47 years. He had been a resident of Haydenville for the last 47 years. He leaves four children, two sons, Jesse and John, of Columbus, two daughters, Mrs. Thomas Riddlebarger, of Nelsonville, and Miss Mary, at home. He had been a sufferer for several years from Asthma, succeeded by an abscess on the liver, and his death was caused by blood poisoning.

Upon hearing of the death of Mr. McKinnon, Governor Harris appointed Charles C. Green, to the office of State Treasurer. Mr. Green was the recently defeated candidate for state treasurer.

Notice to Merchants.

Notice is hereby given to the merchants of Logan and vicinity that I will not be responsible for anything purchased by my wife, Andy Kepler.

Main Street Arches.

The proposition of having lighting arches across Main street at each intersection, making seven arches in all, thus resembling High street in Columbus, was presented to the Council at their last meeting, by J. B. Dollison, secretary of the Logan Improvement Society, with a view to putting same into operation. Some of the Council became enthusiastic and said they would lend every encouragement to that end.

Mr. Dollison ascertained that it would cost about \$200.00 per arch for the steel work delivered and installed ready for the lights. It would require about twelve 32-candle power for each arch, and the village could dispense with the arc lights on Main street and depend upon the arches and get better service. The Improvement Society will take the matter up with the merchants and feel the pulse of our business men along this line. If a business house on each side of the street would put up \$100.00 each, they could secure an arch at their store, and the village would certainly furnish the lighting. Main street would certainly present a beautiful appearance with eight or ten lighting arches across it. We would look like a city, and we are a city. Now, who will be the first two merchants on opposite sides of the street from each other to put up an arch.

Found Dead in Burning House.

On Saturday morning, the house of Mrs. Lauretta Edgar, an aged lady of 85 years, living in Starr township, this county, was discovered to be on fire. A neighbor, Joseph Sowers, went to the rescue and with difficulty he removed the old lady from the flames, but too late to save her life. She was badly burned and sustained some severe bruises on the head, supposedly by her falling at the door in her endeavor to escape the frightful end.
